Deccan Management Consultants Finishing School (DMCFS)

DMC Finishing School (DMCFS) has evolved & has been successfully & professionally executing a concept of "finishing school" since 2006 under the brand name 'Mentor+'. This program focuses on providing pre-employment 'on-the-job' training & value added educational inputs to eligible candidates.

DMCFS has extensive experience and professional expertise in conducting the OJT coupled with theoretical inputs. It has received the approval from the Department of Employment and Self Employment, Vocational Education Division of Higher and Technical Education Department, Government of Maharashtra.

Vision

Mentoring maximum number of students, who aspire Progress, Prosperity and Growth by way of Enhancing Employability, through industry-institution interface in both organized & unorganized sectors.

Mission

- Enhancing the Employability in large number of needy students by providing formal Education & On-Job-Training under our Mentor+ Program by 2020.
- Mentoring of meaningful career by building a proper career path & instill confidence in all such needy students, as a part of social responsibility.
- Provide certification & increase educational qualification of the existing workforce.
- Provide low cost quality vocational education to school dropout as well as other students as per National Vocational Educational Qualification Frame work (NVEQF).

Mentor+ Program

The Mentor+ Program is based on the principle of "EARN AS YOU LEARN". The program creates a platform for gainfully engaging the youth in various skill development activities, thereby contribute to the society. Under this program the student are sent to the industry for industrial training and work experience and they also get additional input in the classroom in co-ordination with reputed academic institutions so as to make them competent to serve the industry. The best part of the said program is that that they don't have to pay for training and coaching but they get paid for it- Earn as you Learn.

- Mentor+ is the only Program which has number of courses to suit your specific Organizational needs.
- Mentor+ is the only Program approved for implementing in all sectors, to illustrate few:
